

STEAM Instructor (Summer 2023)

\$20-27hr depending on experience; 12:30pm - 4:00pm
Program Dates: May 30-June 30, 2023

Bean Path is seeking highly organized, enthusiastic, and talented STEAM Instructors to support our STEAM Immersion Summer Camp. STEAM Instructors will provide instruction and foster a safe learning environment and create an interest in their assigned curriculum amongst students and inspire them to create, construct, build, and experiment. The candidate will establish an inquiry culture for learning, which is project-based, innovative, and challenging. The ideal candidate will have demonstrated experience in one or more of the STEAM curriculum areas, experience working with high school-aged children and a strong belief in the importance of STEAM education. This is a temporary position for the duration of the summer camp, which runs for one month with the potential for Fall employment, pending excellent work performance.

STEAM Curriculum Areas:

- Coding
- Robotics & AI
- Textile & Sewing
- Interior Design & Architecture

Responsibilities:

- Plan, prepare, and deliver STEAM-oriented instruction through project-based learning methods.
- Develop, select, and modify instructional plans and materials to meet the needs of all students.
- Employ a variety of instructional techniques, instructional media, educational technologies and performance assessments, which guide the learning process toward curriculum goals and student learning
- Use technology to promote learning, creativity, and collaboration.
- Organize, develop, and coordinate special STEM events/activities
- Interact and communicate effectively with all staff, parents, and students on a daily basis
- Provide excellent customer service and maintain positive relationships with all stakeholders
- Take initiative and problem-solve with minimal support to ensure smooth operations
- Utilize computer skills to create and edit documents using Microsoft Word, Google Docs, and Canva; take, upload, and share photos and videos using a cell phone
- Perform light cleaning and organizing daily

Qualifications:

- Passion for and belief in the importance of STEAM education
- A degree in Education, STEAM-related field, or equivalent experience
- Experience working with high school-aged children in an educational or camp setting
- Strong organizational skills with attention to detail
- Excellent communication and interpersonal skills
- Ability to work independently and take initiative
- Problem-solving skills and ability to adapt to changing situations
- Ability to multitask and manage priorities in a fast-paced environment
- Certified teacher and/or prior experience with Jackson Public School District students (preferred)
- Ability to pass a background check and comply with all relevant camp policies and procedures
